PROFESSIONAL SUMMARY

Commerce student with hands-on experience in Sales Management, Business Development, HR Operations, and Client Relationship Management within a real estate startup environment. Experienced in client acquisition, market research, team coordination, and business operations. Completed professional training in Digital Marketing and Data Analysis. Seeking entry-level opportunities in HR, Sales, Business Development, or Administration.

EDUCATION

B.Sc. in Commerce — English Section

Expected Graduation: June 2027

Faculty of Commerce • Damanhur University, Egypt • Cumulative Grade: Very Good

PROFESSIONAL EXPERIENCE

Sales Manager | *Re-Lease — Real Estate Startup*

Oct 2024 – Nov 2025

- Led end-to-end B2B and B2C sales operations, managing client acquisition, property presentations, and contract negotiations to close deals efficiently.
- Developed and maintained a structured client relationship management (CRM) pipeline of prospective buyers and investors, ensuring consistent follow-up and deal progression.
- Coordinated with marketing and operations teams to align sales strategies with business targets, supporting business growth objectives.
- Conducted ongoing market research and competitor analysis to identify emerging opportunities and refine the company's value proposition.
- Demonstrated strong time management and organizational skills in managing multiple client accounts simultaneously within a fast-paced startup environment.

HR & LEADERSHIP EXPERIENCE

HR Leader | *Enactus Damanhour*

2024 – 2025

- Oversaw HR operations for a student-run entrepreneurship organization, supporting recruitment, onboarding, and member engagement initiatives.
- Coordinated internal communication and team scheduling to maintain alignment across project teams and organizational activities.
- Supported talent acquisition efforts by screening applications, conducting interviews, and onboarding new members into active projects.
- Contributed to building a positive team culture through organized engagement activities and transparent internal communication channels.

INTERNSHIP EXPERIENCE

Accounting & Finance Intern | Mohamed Qinawy — Certified Public Accountant Feb 2026 – Jun 2026

- Supported daily accounting operations including bookkeeping, financial record maintenance, and client document review.
- Gained practical exposure to financial reporting standards, tax documentation procedures, and structured account management processes.
- Applied analytical thinking and attention to detail while working with real client financial data under professional supervision.

TRAINING PROJECTS

Digital Marketing & Data Analysis Projects

Creativa — MCIT Egypt Digital Upskilling Program

- Applied digital marketing principles including campaign planning, audience segmentation, and content strategy through structured practical exercises.
- Utilized data analysis techniques to interpret datasets, identify trends, and generate insights through hands-on case studies and assignments.
